"Educating and empowering students to thrive."

**Targeted Services Program Grades 7-8
Credit Recovery Program Grades 9-12**

Targeted Services is a program available to students in grades 7-8 to receive assistance with academic work after school. Credit Recovery is a program available to students in grades 9-12 to earn credits toward graduation.

We are hoping to implement Targeted Services and Credit Recovery program through regularly scheduled Study Time on Tuesday, Wednesday and Thursday from 3:15-4:30 p.m. with a starting date of January 17th to run through the remainder of the school year.

Students will receive support from a licensed teacher. In order for LPA to receive funding for the program, we need a commitment from a minimum of 10 students.

Targeted Services and Credit Recovery are programs that focuses on areas that students are deficient. Targeted Services is not simply an after-school study hall. Students enrolled in TS/CR must have an identifiable reason for needing services. Targeted Services Program will focus on individual student work as well as study skills. Credit Recovery will focus on earning credit towards graduation.

Students are expected to come to the program prepared with work to do, skills or projects to work on. When you sign up for the program you are committing to attending each week's sessions. Students may sign up to attend on Tuesday, Wednesday and/or Thursday. Students may sign up any time during the year to participate in the program.

Students interested in participating in the program must return the registration form, completed by a parent/guardian by January 13th to the high school office. You will be notified by email confirmation of the starting date, pending we meet the minimum required number of registered students.

We look forward to creating a positive after school experience for the students. If you have any questions, please call the high school office at 218-238-5914.

Sincerely,

Mary Merchant
Secondary Principal

Lake Park Audubon High School Study Time Registration Form

The Targeted Services/Credit Recovery program is intended for students who would benefit from additional academic support outside of regular school hours. The program is free of charge. Students are referred by teachers, social service staff and/or parents/guardians. Sessions will run from 3:10 – 4:30 p.m. on Tuesday, Wednesday and Thursday from January 17th through the end of the school year. Transportation arrangements are to be made by parents/guardians.

Please complete the registration form below and return to the high school office by January 13th.

A Targeted Services/Credit Recovery teacher will notify parents/guardians upon the acceptance of students into the program.
