New Year

It was great to connect with so many of you in person before Winter Break at our holiday music concerts. Our 5th grade band started things off, followed by concerts from our preschool, kindergarten, 1st, 2nd, 5th, & 6th grade students. We are fortunate to always fill the room (or gym) at all of our community events here in LPA. This is a reflection of the great partnerships that have been formed between the schools and community that we hope to continue into the future.

The New Year brings with it an opportunity to set goals and refocus our priorities. When it comes to our school the priority is your student! We will continue to realign our goals to meet the individual needs of all the students that walk through our doors. We will strive to engage our students on a daily basis and foster lifelong learners by modeling it first hand in our classrooms, hallways, library, lunchroom, and all corners of our school.

On the second page of this newsletter you will find the vision and mission statements of our district as determined by you, our community. These statements guide what we do for all students, from the moment they walk through our pre-k or kindergarten doors, until their graduation senior year. You will also find a link to our strategic plan found on our website: www.lakeparkaudubon.com.

Lastly we will be activating our secure entries at both the high school and elementary school starting after Winter Break. Visitors will be buzzed in between the hours of 8:30am-3:00pm at the elementary to ensure student safety.

GO RAIDERS!

Lake Park Audubon School District 2889

Vision –An innovative district of choice inspiring students to excel in school and in life.

Mission – Prepare students with the academic, social, and life skills to succeed in a changing world.

The Lake Park Audubon Public Schools Believe:

That before any meaningful learning can take place, we must build relationships between students, staff, and the community.

In providing challenging, engaging, and innovative programming for all students to prepare them for success in a changing world.

In challenging growth in academics, personal development, and values/relationships all for the future success and well-being of all students.

All students have value and deserve an opportunity to learn.

Each student has the responsibility to actively participate in her/his learning and achievement.

That educational excellence requires effective leadership and high qualified staff applied with rigor, teamwork, and the responsible use of resources.

LPA Schools are committed to providing students a safe and nurturing learning environment where all are encouraged to reach their full potential.
