## Past the Halfway Point

Since last month's newsletter we have turned the page on the second quarter and have now started the third. It seems hard to believe that we are already halfway through the academic year. Reflecting back on those first couple weeks of school, we have come a long way this year. As you are reading this newsletter take time to celebrate your student's growth over the year together as a family.

In the middle of January we hosted our District Spelling Bee at the Elementary. 13 outstanding spellers participated in grades 4-8, along with classroom champions being named in 2<sup>nd</sup> and 3<sup>rd</sup> grade. Congratulations to our elementary champion, Megan Musolf, in Mrs. O'Connell's 6<sup>th</sup> grade class! January finished with a cold snap that resulted in area schools canceling school for 2 consecutive days. We understand the extra burden this can put on families, and appreciate your understand as we make decisions to keep all students safe.

In the month of February we look forward to our Pennies for Patients Campaign (see below), parent teacher conferences (page 2), and celebrating Winter Fun Day (page 2). At the end of the month and into March we will be celebrating our love of reading a Lake Park Audubon Elementary along with collecting books for our annual PTO Book Drive. Books collected are donated to our school library, classroom libraries, and used as incentives for students.
